

# Map Quiz

Below is the list of items that you will need to know for the map quiz. The word bank will be provided to you during the quiz as a reference. You will be provided with three maps during the quiz. One map will have Rivers and Waterways, a second map will have Regions and Territories, and the third map will have Cities. Each location will be labeled with a number, and you will be asked to write in the correct item on the space provided. A map has also been provided for your convenience to practice with. Let me know if there are any questions.
